Road	Center of Upper Austria, west and Lower Austria	Center of Upper Austria, west and Lower Austria

Catchment area

Biggest industrial zone in Austria – 40 % of all Austrian Exports are generated in the catchment area of the Port of Enns/Terminal CTE.

Description (cities, industrial areas – 70 km):

Located in central Austria – Upper Danube region covering Upper- and west of Lower Austria. Central position off the harbour and excellent transportation links offer various possibilities for freight transport and the settlement of companies. Enns is an ideal gateway for traffic from and to Austria.
