

To whom it may concern

The Austrian Federal Ministry of Agriculture, Forestry, Environment and Water Management is the competent Austrian authority for trans-boundary shipments of waste in accordance with the Regulation (EC) No 1013/2006 of the European Parliament and the Council of 14 June 2006 on shipments of waste

CONFIRMATION

The Austrian Federal Ministry of Agriculture, Forestry, Environment and Water Management confirms that all recovery and disposal plants for waste located in Austria and permitted by the competent Austrian authorities have to comply with all relevant Austrian legal provisions, which are implementing all regulations of the European Union without exemptions and which are as strict or even stricter than the standards valid for all members of the European Union including an adequate monitoring system for greenhouse –gas emissions.

All requirements of European waste politics have been implemented in Austria so far.
